

“It’s important to know the society we live in. The venue of instruction has moved from the Gurukula (House of the teacher) to the Sishyakula (House of the student) and we must move with the times. It’s heartening to note that CSIM not only caters to social needs but also launches educational programmes”
Prof. Ananth, Director, IIT Madras.

Be a change agent!

Come, change the world!

About us

Centre for Social Initiative and Management (CSIM) is a pioneer in offering social entrepreneurship training programs in India that ensures and enhances the quality of delivery in social change agents. CSIM pursues this mission by offering a wide range of training programs that advocates the principles and practices of social entrepreneurship. Established in 1999 as a project of Manava Seva Dharma Samvardhani Trust, it has contributed in the areas of training, research, capacity building, and social audit for development organisations as well as corporate houses all over India.

Over the years, CSIM has emerged as the leading institution, especially in the field of Social Entrepreneurship and Social Audit.

Online Course

CSIM's online course in Social Entrepreneurship is a revolutionary course by nature, and inventive and path-breaking by virtue of its content. Designed and developed in collaboration with Cognizant Technology Solutions, the online course involves the intricacies of entrepreneurship which has been tempered with a social angle.

The course was launched by Prof. Ananth, Director of IIT, Madras on 10.9.2010.
